Hon William Lloyd Garrison

Dear friend

your reply to Dr W. G. Eliot
Published in the Boston daily advertiser
of April 23th is gratifying to every Republican
White and Black in the South. you
understand the situation in Louisiana
Thoroughly. your reply will go to the hearts
and consciences of the good people of this
country. we have about Eighty Thousand
negro votes. and Ten Thousand White votes.
four Thousand. of which are natives.
on a fair Registration and Election.
Louisiana will give at least twenty five
Thousand majority for the Republican
Party. the colored people at the last
Election voted the Republican ticket at
the risk of their lives many were
killed for presuming to vote the

unprotected should be abandoned by the
President that we Elected for our Protection.
we all pray for you and the Hon^d Wendell
Phillips that God in his Providence will
Strengthen you that you may continue
to advocate the rights of my race. and
that of humanity
